Flamefighter III

3.5kg CO2 Extinguisher

SKU: 18466

Rated for Class B & E Fires, Carbon Dioxide extinguishers are ideal when minimal clean up after use is required.

PSL import and distribute our own FlameFighter brand of AS/NZS approved CO2 fire extinguishers. Carbon Dioxide is discharged as a white gas cloud which smothers the fire.

Rated for Class B & E Fires, this clean non contaminating odourless gas is ideal as clean up is not required.
